EXCLUSIVE

Portal (88 St John Street, EC1M 020 7253 6950) Antonio Correia, previously of Café du Marché, opened this very attractive restaurant in Clerkenwell a few months ago, and his passion for both Portuguese food and wine has certainly made a unique mark on the operation. It's a great dining space too—floor to ceiling glass windows, exposed vents and modern furnishings give the main area a surprisingly urban feel. Guests can also eat lighter dishes in the front bar or the fine wine-filled private dining room.
